

Telephone Reassurance

Friendship, connection and joy are all important elements of Eskaton's Telephone Reassurance Program. Every day, the program brings together older adults and volunteers of all ages to share experiences, stories and laughter through friendly conversation.

Beyond building meaningful connections, program staff provide the following services to participants:

- Daily cost-free calls, 365 days a year
- Safety and wellness checks
- Access to resources and education
- Referrals to Eskaton's social worker
- On-call chaplain for spiritual support
- Access to support groups

To join, make a referral or volunteer within the Telephone Reassurance Program, contact:
